the sea. The master bedroom has air-conditioned. The main terrace of the apartments of 150 m2 features an incomparable sea view. The two separate apartments can be reached by a descending paved road which permits parking in front of the apartments. This road is shared with the main house. It's part of the property also a private parking of 200 m2 with a lift connected directly with the Villa. There is a large condominium pool within walking distance, for which membership can be purchased. There are just few steps to reach the sea level. The property is part of a condominium which is gated and secure. The apartments and the villa are fully furnished and equipped.
